Dear Aleksander,

now that the Paragraph Freedom Square, a Luxury Collection Hotel, Tbilisi has successfully opened I do not want to miss to thank your team and you for the excellent preparation and execution of the signage package for the entire hotel.

It has been a pleasure to work with you and I certainly will recommend your company to any of my colleagues who are looking to open a hotel in the future.

All the very best for 2024 – I remain with the Compliments of the Season,

Yours sincerely
